This is a table documenting cost of tuition and/or required fees, room, and board at member institutions of the National Association of State Universities and Land-Grant Colleges, by state, for 1969-70. The figures given are rates for typical full-time undergraduate students for 2 semesters, 2 trimesters, or 3 quarters. 1968-69 rates are also given when they differ from those of 1969-70. For those institutions charging differing tuition and/or required fees for resident and non-resident students (of the respective state or district), 1969-70 rates for residents vary from \$57 at City College of the City University of New York to \$700 at Purdue University. Rates for non-resident students vary from \$377 at Maryland State College to \$2078 at the University of Vermont. Room rates vary from \$133 at North Carolina State University to \$650 at Cornell University. Board rates vary from \$300 at North Carolina State University to \$600 at the University of Georgia. Over 65% of the approximately 130 institutions report a tuition and/or required fees increase over 1968-69, ranging up to \$300 for residents (Purdue University), and \$886 for non-residents (Center System of the University of Wisconsin).
